

CERTIFICATE

This is to the effect that:

..... *Justyna Patejnik*

has studied

..... *183*

lessons of English at the

..... *Instytut Edukacyjny "This Way"*

and has reached Stage

..... *XI*

of the Callan Method.

Stage 6 of the Callan Method is approximately at the level of the Cambridge Preliminary, whilst Stages 10 to 12 are at the level of the Cambridge First Certificate.

With the Callan Method it is impossible to pass from Stage 2 to Stage 1 without knowing all, or *at least* 60% to 70%, of the material in Stage 1. Consequently, whatever Stage is reached automatically shows that the student has mastered this amount of material in the preceding Stages, and is therefore competent up to that level, and would pass any exam at that level.
